GOALS

Please include one or more of the following: project assignment goals, group process goals, quality level goals, etc.).

Aim for an A grade.

Contribute to the workload evenly among each team member.

Track all project files in our MS Team.

BARRIERS

What are potential barriers that may prevent achievement of the goals?

Spread out time zones.

TEAM RULES

What are the rules that will help the team be successful? Examples could be meeting schedule, attendance expectations, agenda, notifications, assignment completion, and possibly more.

Complete assignments at least 3 days prior to due date to have time for proofreading and submission.

Weekly team meeting to share progress, identify if assistance is needed, and review quality.

Communicate between primary/secondary more often than weekly.

CONFLICT MANAGEMENT PLAN

What conflicts may arise within the team and how does the team plan to manage or mitigate them?

Potential Conflicts	Management or Mitigation Strategies
Lack of communication Missing deadline(s)	Assignment Team Leader is final decision. Assignment Team Leader is mediator. Multiple channels of communication available

PRELIMINARY PROJECT PLAN
